Dear \_\_\_\_\_:

Acting pursuant to the authority contained in Department of State regulations 22 CFR 42.82(d), your company is hereby informed that the undersigned has revoked as of today's date the immigrant visa for the United States of America described below:

Name of visa holder:

Other information:

The visa holder has been informed of this decision and requested to surrender the visa to this office for cancellation. The holder may not comply with our request, and may attempt instead to travel to the United States on the strength of the now revoked visa contained in the passport or other travel document. If the holder should attempt to do so after your receipt of this notice, and your company permits the holder to embark in spite of this notification, you should know that under the terms of the Immigration and Nationality Act, your company will be liable to a fine for having transported to the United States a person who is not in possession of a valid visa. It is suggested, therefore, that the above named be requested to call at this office in person with passport and visa if the holder contacts your company.

Sincerely,
